

DISCLAIMER

WARNING: If you use SMART BRAKE equipment, **it is your responsibility** to learn proper use of the equipment, and you accept all risks, including those of injury, paralysis and death. Our equipment is specially designed for bicycles, wheelchairs and rollerskis, has limitations and must not be used for other purposes. **Improper use or misuse increases the risks.**

ALWAYS MAKE SURE TO OPERATE 2 – TWO – SEPARATE BRAKE SYSTEMS ON YOUR VEHICLE. DO NEVER TRUST A SINGLE BRAKE SYSTEM TO PROVIDE SUFFICIENT SAFETY DURING USE! BOTH SYSTEMS MUST BE FUNCTIONAL AND TESTED PRIOR TO ANY USE!

WARNING! RISK OF DEATH AND SERIOUS INJURY

Whenever you use the SMART BRAKE products, you risk death or serious injury from loss of control, collisions, and falls. To use RollerSafe safely, you must read and follow **all instructions and warnings in the Product Documentation**. In addition, you shall for any activity and application have a **secondary brake system (electronic, mechanical, manual), ready to use**.

WARNING! USE HELMET / PROTECTION

Always wear a helmet when using roller skis, skateboards or bicycle. Use an approved helmet that fits properly with the chin strap in place, and provides protection for the back of your head.
Avoid obstacles and slippery surfaces that could result in a loss of balance or traction and cause a fall.

WARNING! PAY ATTENTION TO SYSTEM SIGNALS

Pay attention to all warnings and alerts from the SMART BRAKE products. They indicate unsafe operating conditions. You must learn about and understand the SMART BRAKE products safety alerts described in the Product Documentation and respond as instructed.

Never attempt to use a SMART BRAKE product without the **SMART BRAKE Technology properly installed, charged and updated**. Using your SMART BRAKE products without all parts properly installed could damage your SMART BRAKE products and result in serious injury from loss of control, collisions, and falls. Apply good judgement in all use of SMART BRAKE products.

Do not modify the SMART BRAKE products. Modifications to the SMART BRAKE products without the prior written approval could interfere with the operations of the SMART BRAKE products, **could result in serious injury and/or damage, and could void the SMART BRAKE Limited Warranty**.

Learning to use your SMART BRAKE products

- 1) Follow all the instructions and warnings in the User Manual, and supplementary Instruction Videos (www.mysmartbrake.com)
- 2) Make sure the SMART BRAKE products are fully charged and functional, prior to your trip
- 3) Before each trip; Make sure your secondary brake system is functional and ready to use in any situation
- 4) Start slow, learn to operate the SMART BRAKE in safe locations at low speed
- 5) If any safety alert or irregularity occurs, stop use of SMART BRAKE immediately
